The installation of 1435 CCTV cameras at the Dr YSR Aarogyasri's Aarogya Mithra kiosks across 13 districts of Andhra Pradesh is a resounding milestone in the journey of Brihaspathi Technologies. Significantly, the government's concern for public health and the need to monitor any illegal or behavioral activities at Aarogya Mithra kiosks is duly met with quality, reliable, and innovative CCTV surveillance system.

Brihaspathi Technologies has earned global recognition for its offer of end-to-end and premium CCTV surveillance systems. The long list of public and corporate clients speaks for our quality CCTV camera installations. We deal with both outdoor and indoor security cameras. **Based on each client's security and surveillance requirements** we suggest the proper make, brand, lens, video recorder, technology, functionalities and other features.

Dr YSR Aarogyasri' Aarogya Mithra Kiosks

Sri Y S Jagan Mohan Reddy, Hon'ble Chief Minister of Andhra Pradesh

provided a great momentum to Aarogyashri program. The Hon'ble Chief Minister provided for the installation of CCTV cameras at all Aarogya Mithra kiosks. This was done with an idea to monitor all behavioral and illegal activities at Aarogya Mithra kiosks. The challenges faced by the officials of Aarogyashri program were seen as,

The installation of 1435 CCTV cameras at Dr YSR Aarogyasri' Aarogya Mithra Kiosks is a huge project with a total value of 2 Cr and 59 Lacs. Understandably, the Government of Andhra Pradesh' Dr YSR Aarogyasri provides for Universal Health Coverage to BPL population including Prevention, Primary care and InPatient care. So, at all the Primary Health Centers (PHCs) which are the first point of contact, and all the Area / District Hospitals and Network of Corporate Hospitals, a network of Help Desks manned by Aarogya Mithras to facilitate the illiterate patients has been created.

- 1 Identifying the real and aggrieved beneficiaries
- 2 Weeding out those who are ineligible for the health scheme
- 3 Monitoring the unacceptable and prohibited activities
- 4 Connecting the ground-level operations with the top management
- 5 Surveillance of the facilitation process by Aarogya Mithras at all the kiosks
